ginza
sushi and izakaya style dining

I-za-ka-ya n. Japanese restaurant/bar serving tapas-style food and drinks in a lively atmosphere. Customers usually share dishes with one another in their party rather than ordering individually.

In Japan, Izakaya restaurants are popular places for friends and family to come together and relax over a sampling of small dishes and plenty of good beer and sake.

In addition to our ample sushi menu, we offer traditional Izakaya staples, sashimi, salads & tempura.

Enjoy!
